

PCMO/Conventional SAE 10W30 (API SL/CF)

- Our PCMO Conventional Motor Oil SAE 10W30, API SL is blended using high viscosity paraffinic base stock and a modern additive technology to reduce engine wear and extend engine life.
- Formulated to provide clean engines and excellent control of sludge and other engine deposits that form because of high engine temperatures and combustion exhaust.
- Offers protection in gasoline motors against deposits, oil oxidation, wear, rust & oxidation.
- Recommended for both on-highway and off-highway gasoline powered engines where the manufacturer calls for an API SL oil.
- Can also be used where an API CF Diesel classification is required.
- The API SL category was introduced in October 2004.
- The API CF category was introduced in 2009.
- Available in Bulk, 275Gall, 55Gall, 5Gall, 12/1Qts.
